DESCRIPTION/OPTIONS: The 2017 Chevrolet City Express LS is a compact cargo van designed to seamlessly blend efficiency with functionality for small business owners and urban professionals. Powered by a fuel-efficient 2.0-liter inline-four engine, it delivers 131 horsepower, making it nimble enough for city driving while maintaining a commendable fuel economy. Its sleek exterior design, characterized by a modern front grille and aerodynamic lines, complements its practical interior. The cabin offers 122.7 cubic feet of cargo space with a flat load floor and easy-access sliding side doors, optimizing loading and unloading. The City Express LS also features a straightforward, driver-focused cockpit with essential amenities such as Bluetooth connectivity and a rearview camera, ensuring a balanced mix of comfort and utility.
