DESCRIPTION/OPTIONS: The 2017 Chevrolet City Express LS is a versatile and compact cargo van designed for urban efficiency and practicality. Powered by a 2.0-liter inline-four engine, it offers a balanced blend of power and fuel economy, making it ideal for city driving. The City Express LS features a spacious 122.7 cubic feet of cargo space, with a flat load floor and 40/60 split rear doors that open wide, ensuring easy loading and unloading. Inside, the cabin is straightforward and functional, equipped with air conditioning, a two-speaker sound system, and a 12-volt power outlet. With its nimble handling, tight turning radius, and efficient design, the City Express LS is perfect for small business owners looking for reliability and convenience in urban settings.
